

Each year the Council sponsors a Safe and Sober event the first Friday in December to kick-off Safe and Sober month. This event highlights the consequences of drinking and driving and focuses on having a safe and sober holiday season. This year was the 19th annual event for the Council and featured Mayor Joe Adame reading a city proclamation that recognized December as an official Safe and Sober Month for Corpus Christi, a keynote address by Police Chief Troy Riggs, and entertainment by the Del Mar Singers and Carolina Sanchez. A luncheon was served after the program.
